PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

May 9, 2019

QUESTIONS AND ANSWERS

Proxy Materials, Voting Information and Annual Meeting Information

1. Why Did I Receive a Notice of Internet Availability of Proxy Materials?

We sent you a Notice of Internet Availability of Proxy Materials (the “Notice”) because the Board of Directors (sometimes referred to as the “Board”) of Franklin Street Properties Corp. (sometimes referred to as the “Company,” “FSP,” “Franklin Street Properties,” “we,” “us,” or “our”) is soliciting your proxy to vote at the 2019 Annual Meeting of Stockholders (the “Annual Meeting”) and at any postponements or adjournments of the Annual Meeting. The Annual Meeting will be held on May 9, 2019, at 11:00 a.m., Eastern Time, at the Four Points by Sheraton Wakefield Boston Hotel & Conference Center, located at One Audubon Road, Wakefield, Massachusetts 01880.

As permitted by rules adopted by the Securities and Exchange Commission (the “SEC”), we are making this Proxy Statement and our 2018 Annual Report to Stockholders, which includes a copy of our Annual Report on Form 10-K and financial statements for the year ended December 31, 2018, available to our stockholders electronically via the Internet. On or about March [], 2019, we will begin mailing the Notice to our stockholders containing instructions on how to access this Proxy Statement and our 2018 Annual Report to Stockholders online, as well as instructions on how to vote. Also on or about March [], 2019, we will begin mailing printed copies of these proxy materials to stockholders who have requested printed copies. If you receive the Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you request a copy. Instead, the Notice instructs you on how to access the documents online to review all of the important information contained in this Proxy Statement and our 2018 Annual Report to Stockholders. The Notice also instructs you on how you may vote via the Internet. If you received the Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions included in the Notice for requesting such materials. 2. What is the Purpose of the Annual Meeting?

At the Annual Meeting, stockholders will be asked to vote upon the matters set forth in the accompanying notice of the Annual Meeting:

- Proposal 1: Election of two Class I directors, each to serve for a term expiring at the 2022 Annual Meeting of Stockholders and until his respective successor is duly elected and qualified;
- Proposal 2: Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019;

- Proposal 3: The approval, by non-binding vote, of our executive compensation; and
- Proposal 4: The approval of an amendment to our articles of incorporation to declassify our Board of Directors.

3. What are the Voting Recommendations of the Board?

Your Board recommends that you vote your shares as follows:

“FOR” each director nominee and “FOR” Proposal 2, Proposal 3 and Proposal 4.

Proposal 1 is for the election of two Class I directors. It is a binding vote and, if approved, the nominees will be elected to serve another three-year term on our Board.

Proposal 2 is for the ratification of the appointment of our independent registered public accounting firm. It is a non-binding vote and is not required, but our Audit Committee will carefully consider the outcome of this vote in determining its next selection of our independent registered public accounting firm.

Proposal 3 is a vote on our executive compensation and, under the Securities Exchange Act of 1934 (as amended, the “Exchange Act”) and related SEC regulations, it is an advisory, or non-binding, vote. Our Board will carefully consider the outcome of this vote.

Proposal 4 is for the approval of an amendment to our articles of incorporation to declassify our Board of Directors. Under Maryland law and our articles of incorporation, this amendment to our articles of incorporation must first be approved by a majority of our directors and then, at a subsequent stockholder meeting, the affirmative vote of the holders of not less than 80% of the shares of our common stock (“Common Stock”) issued and outstanding and entitled to vote. Our Board of Directors approved this amendment to our articles of incorporation on January 31, 2019.

4. Who can Vote at the Annual Meeting?

Our Board has fixed March 1, 2019 as the record date (the “Record Date”) for the Annual Meeting. If you were a stockholder of record on the Record Date, you are entitled to vote (in person or by proxy) all of the shares that you held on that date at the Annual Meeting and at any postponement, or adjournment thereof.

Franklin Street Properties has only one class of Common Stock outstanding. Each share of Common Stock outstanding as of the close of business on the Record Date is entitled to one vote at the Annual Meeting. As of the Record Date, Franklin Street Properties had 107,231,155 shares of Common Stock outstanding and entitled to vote at the Annual Meeting.

5. Can I Vote if my Shares are Held in “street name”?

All shares of Common Stock owned by you as of the Record Date may be voted by you. These shares include those (1) held directly in your name as a stockholder of record and (2) held for you as the beneficial owner through a broker, financial institution or other nominee.

Most of the stockholders of Franklin Street Properties hold their shares in “street name” through a broker, financial institution or other nominee rather than directly in their own name. As summarized below, there are some distinctions between being a “record” holder and being a “beneficial” holder of our shares.

6. What does it Mean to be a Stockholder of Record?

If, on the Record Date, your shares of Common Stock are registered directly in your name with Franklin Street Properties’ transfer agent, American Stock Transfer & Trust Company, you are considered the stockholder of record of those shares, and the Notice or set of printed proxy materials, as applicable, is being sent directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to the persons named in the proxy card or to vote in person at the Annual Meeting. If you request a paper copy of the materials as described in the Notice, a proxy card will be sent to you with those materials.

QUESTIONS AND ANSWERS

7. What does it Mean to Beneficially Own Shares in Street Name?

If, on the Record Date, your shares of Common Stock are held in a brokerage account by a broker, financial institution or other nominee, you are considered the beneficial owner of shares held on your behalf in “street name”, and the Notice or set of printed proxy materials, as applicable, is being forwarded to you by your broker, financial institution or other nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, financial institution or other nominee on how to vote the shares held in your account or to vote in person at the Annual Meeting. You should receive information from your broker, financial institution or other nominee on how you can direct the voting of your shares. In addition, since you are not the stockholder of record, in order to vote in person at the Annual Meeting, you will need to obtain a “legal proxy” from the broker, financial institution or other nominee that holds your shares of Common Stock of record. If you request a paper copy of the proxy materials as indicated in the Notice, your broker, financial institution or other nominee will provide a voting instruction card for you to use to direct the voting of your shares.

8. May I Attend the Annual Meeting?

All stockholders of record of shares of Common Stock at the close of business on the Record Date, or their designated proxies, are authorized to attend the Annual Meeting. Each stockholder and proxy may be asked to present a valid government-issued photo identification, such as a driver’s license or passport, before being admitted.

If you are not a stockholder of record but hold shares through a broker, financial institution or other nominee (i.e., if you hold your shares in “street name”), you will need to provide proof of beneficial ownership as of the Record Date, such as an account statement reflecting your stock ownership as of the Record Date, a copy of the voting instruction card provided by your broker, or other similar evidence of ownership. We reserve the right to determine the validity of any purported proof of beneficial ownership. If you do not have proof of ownership, you may not be admitted to the Annual Meeting.

Attendees are not permitted to bring cameras, recording devices and other electronic devices to the Annual Meeting, and attendees may be subject to security inspections and other security precautions. You may obtain directions to the Annual Meeting by visiting the hotel’s website at: <http://www.fourpointswakefieldboston.com/>. Please note that this website is not part of this Proxy Statement and is not incorporated by reference in this Proxy Statement.

9. How do I Vote?

Voting in Person at the Annual Meeting. If you are a stockholder of record and attend the Annual Meeting, you may vote in person at the Annual Meeting either by delivering your proxy in person or using a ballot, which will be available at the Annual Meeting. If your shares of Common Stock are held in street name and you wish to vote in person at the Annual Meeting, prior to the Annual Meeting, you will need to obtain a “legal proxy” from the broker, financial institution or other nominee that holds your shares of Common Stock as stockholder of record.

Voting by Proxy for Shares Registered Directly in the Name of the Stockholder. If you are a stockholder of record, you may instruct the proxy holders named in the proxy card how to vote your shares of Common Stock in one of the following ways:

- *Vote by Internet.* You may vote via the Internet by following the instructions provided in the Notice or, if you received printed materials, on your proxy card. The website for Internet voting is www.proxyvote.com and is also printed on the Notice and on your proxy card. Please have your Notice or proxy card in hand. Internet voting is available 24 hours per day until 11:59 p.m., Eastern Time, on May 8, 2019. You will receive a series of instructions that will allow you to vote your shares of Common Stock. You will also be given the opportunity to confirm that your instructions have been properly recorded. **IF YOU VOTE VIA THE INTERNET, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.**
- *Vote by Telephone.* If you received printed copies of the proxy materials, you also have the option to vote by telephone by calling the toll-free number listed on your proxy card. Telephone voting is available 24 hours per day until 11:59 p.m., Eastern Time, on May 8, 2019. When you call, please have your proxy card in hand. You will receive a series of voice instructions that will allow you to vote your shares of Common Stock. You will also be given the opportunity to confirm that your instructions have been properly recorded. If you did not receive printed materials and would like to vote by telephone, you must request printed copies of the proxy materials by following the instructions on your Notice. **IF YOU VOTE BY TELEPHONE, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.**

- *Vote by Mail.* If you received printed materials and would like to vote by mail, then please mark, sign and date your proxy card and return it promptly in the postage-paid envelope provided with your printed materials. If you did not receive printed materials and would like to vote by mail, you must request printed copies of the proxy materials by following the instructions on your Notice.

Voting by Proxy for Shares Registered in Street Name. If your shares of Common Stock are held in “street name”, you will receive instructions from your broker, financial institution or other nominee that you must follow in order to have your shares of Common Stock voted as you direct. Those instructions may have accompanied these printed materials.

10. What are the Quorum and Voting Requirements for the Proposals?

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. As of the Record Date, there were 107,231,155 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Abstentions and broker non-votes (described below), if any, will be considered present for the purpose of determining the presence of a quorum.

The affirmative vote of a majority of the total votes cast for and affirmatively withheld as to each nominee for director is required to approve the election of each nominee for director in Proposal 1. In addition, a majority of the votes cast at the Annual Meeting is required for approval of the ratification of the appointment of the independent registered public accounting firm (Proposal 2) and approval of the advisory vote on executive compensation (Proposal 3), each of which is a non-binding vote. The amendment to our articles of incorporation to declassify our Board of Directors (Proposal 4) must be approved by the affirmative vote of not less than 80% of the shares of Common Stock issued and outstanding and entitled to vote.

Broker non-votes occur when brokers, financial institutions or other nominees do not receive voting instructions from their customers on how to vote the customers’ shares on a proposal and the broker, financial institution or other nominee does not have discretionary voting authority or chooses not to exercise it with respect to a proposal. If you hold shares in “street name” and you do not give instructions as to how to vote your shares, your broker, financial institution or other nominee may have authority to vote your shares on certain routine matters but not on non-routine matters. Proposal 2 is a routine proposal, and your broker, financial institution or other nominee has discretionary voting authority to vote on that proposal. Your broker, financial institution or other nominee does not have discretionary voting authority with respect to any of the other proposals on the ballot: the election of directors (Proposal 1), the advisory vote on executive compensation (Proposal 3) and the approval of an amendment to our articles of incorporation to declassify our Board of Directors (Proposal 4).

11. What if I Change my Mind after I have Voted?

You may revoke your proxy and change your vote at any time before it is voted at the Annual Meeting by (1) sending a written notice of revocation to our Secretary at the Company’s address set forth in this Proxy Statement that is received prior to the time at which your proxy is voted at the Annual Meeting and submitting a new written proxy bearing a date later than the date of the proxy being revoked; (2) voting again on the Internet or by telephone prior to 11:59 p.m. Eastern Time on Wednesday, May 8, 2019; or (3) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, in itself, constitute revocation of a previously granted proxy.

If you hold your shares in “street name”, then you may submit new voting instructions by contacting your broker, financial institution or nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described above.

QUESTIONS AND ANSWERS

12. How will my Shares be Voted if I do not Return my Proxy or do not Provide Specific Instructions in the Proxy Card that I Submit?

If you are a stockholder of record, your shares will not be voted if you do not vote over the Internet, by telephone, by returning your proxy or by ballot at the Annual Meeting. If you submit a proxy card without giving specific voting instructions on one or more proposals listed in the notice for the Annual Meeting, your shares will be voted as recommended by our Board on such proposals, and as the proxyholders may determine in their discretion how to vote with respect to any other proposals properly presented for a vote at the Annual Meeting.

If your shares are held in “street name” at a broker, your broker may under certain circumstances vote your shares on routine proposals, including Proposal 2, if you do not timely provide voting instructions in accordance with the instructions provided by them. However, if you do not provide timely instructions, your broker does not have the authority to vote on non-routine proposals, including Proposals 1,3 and 4, at the Annual Meeting and a “broker non-vote” would occur.

13. Where do I Find the Voting Results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also publish preliminary or, if available, final voting results within four business days of the Annual Meeting in a Current Report on Form 8-K to be filed with the SEC. If necessary, we will publish final voting results within four business days after the final voting results are known in an amendment to Current Report on Form 8-K to be filed with the SEC. Copies of the Current Report on Form 8-K and any amendments thereto to be filed with the SEC will be available on our website at: <http://www.fspreit.com> and on the SEC’s website at <http://www.sec.gov>.

14. Will other Matters be Voted on at the Annual Meeting?

Communications and Stockholder Proposals

15. How can I Communicate with the Company’s Directors?

Our Board will give appropriate attention to written communications that are submitted by stockholders and will respond if and as appropriate. The Secretary of Franklin Street Properties is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he or she considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the Secretary considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we may receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to our Board should address such communications to Board of Directors, Franklin Street Properties Corp., 401 Edgewater Place, Suite 200, Wakefield, Massachusetts 01880, Attn: Scott H. Carter, Secretary.

16. How do I Submit a Proposal for Action at the 2020 Annual Meeting?

In accordance with Rule 14a-8 of the Exchange Act, proposals of stockholders intended to be included in our proxy statement and form of proxy for the 2020 Annual Meeting of Stockholders must be received by Franklin Street Properties at its principal office not later than November [__], 2019. In addition, according to our current bylaws, any stockholder proposal intended to be presented at an annual meeting, including nominations for election to the Board, but not considered for inclusion in our proxy statement relating to such meeting, must be received at Franklin Street Properties' principal office not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the mailing date of the preceding year's proxy materials. For the 2020 Annual Meeting of Stockholders, that means that a stockholder must deliver proper notice of a proposed nominee or action that is proposed to be presented at the 2020 Annual Meeting of Stockholders but not be included in the proxy statement for such meeting to the Secretary of Franklin Street Properties between October [__], 2019 and November [__], 2019. In addition to the timing of the delivery of the notice, our bylaws include specific information that must be provided and procedures that must be followed to submit a proposal.

CORPORATE GOVERNANCE

We operate within a comprehensive corporate governance structure that includes the highest standards of professional and personal conduct. Our Corporate Governance Guidelines, our Code of Business Conduct and Ethics, the charters for our Audit, Compensation, and Nominating and Corporate Governance Committees, and other corporate governance information, are available on our website at <http://www.fspreit.com> under the heading “Investor Relations” and then under the subheading “Governance Documents” under “Corporate Information.” The information on our website is not a part of this Proxy Statement and is not incorporated into any of our filings made with the SEC.

Introduction

Our Common Stock trades on NYSE American under the symbol “FSP”. We began trading on the American Stock Exchange in June 2005. The exchange’s name was changed to NYSE Amex after it was acquired by NYSE Euronext on October 1, 2008, was later known as NYSE MKT and is now NYSE American.

Board of Directors and its Committees

Franklin Street Properties is currently managed by a seven member Board, which is divided into three classes (Class I, Class II and Class III). Our Board is currently composed of two Class I directors (Brian N. Hansen and Dennis J. McGillicuddy), three Class II directors (John N. Burke, Kenneth A. Hoxsie and Kathryn P. O’Neil) and two Class III directors (George J. Carter and Georgia Murray). The members of each class of our Board of Directors serve for staggered three-year terms. The terms of our current Class I, Class II and Class III directors expire upon the election and qualification of directors at the Annual Meetings of stockholders to be held in 2019, 2021 and 2020, respectively, where directors will be elected or re-elected for a full term of three years to succeed those directors whose terms are expiring.

Director Independence

Under the NYSE American corporate governance standards, set out in the NYSE American LLC Company Guide (the “NYSE American Rules”), at least a majority of the Board must be “independent directors” as defined in Section 803A of the NYSE American Rules. According to Section 803A, “independent director” means a person other than an executive officer or employee of Franklin Street Properties. In addition, to qualify as an “independent director,” the Board of Directors must affirmatively determine that the director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Section 803A of the NYSE American Rules also includes the following non-exclusive list of persons who shall not be considered independent:

- a. a director who is, or during the past three years was, employed by us, other than prior employment as an interim executive officer (provided the interim employment did not last longer than one year);
- b. a director who accepted or has an immediate family member who accepted any compensation from us in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:
 - i. compensation for Board or Board committee service,
 - ii. compensation paid to an immediate family member who is an employee (other than an executive officer) of Franklin Street Properties,
 - iii. compensation received for former service as an interim executive officer (provided the interim employment did not last longer than one year), or
 - iv. benefits under a tax-qualified retirement plan, or non-discretionary compensation;
- c. a director who is an immediate family member of an individual who is, or at any time during the past three years was, employed by us as an executive officer;

- d. a director who is, or has an immediate family member who is, a partner in, or a controlling shareholder or an executive officer of, any organization to which we made, or from which we received, payments (other than those arising solely from investments in our securities or payments under non-discretionary charitable contribution matching programs) that exceed 5% of the organization's consolidated gross revenues for that year, or \$200,000, whichever is more, in any of the most recent three fiscal years;
- e. a director who is, or has an immediate family member who is, employed as an executive officer of another entity where at any time during the most recent three fiscal years any of our executive officers serve on the compensation committee of such other entity; or
- f. a director who is, or has an immediate family member who is, a current partner of our outside auditor, or was a partner or employee of our outside auditor who worked on our audit at any time during any of the past three years.

For purposes of Section 803A of the NYSE American Rules, "immediate family member" includes a person's spouse, parents, children, siblings, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, and anyone who resides in such person's home (other than domestic employees).

Because Mses. Murray and O'Neil and Messrs. Burke, Hansen, Hoxsie, and McGillicuddy do not have any relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, our Board has determined that they are "independent directors" for purposes of the NYSE American.

Board Meetings, Annual Meeting of Stockholders, and Attendance

During 2018, each director attended more than 75% of the meetings of the Board and of the committees on which he or she served. The Board held seven meetings in 2018.

Each of our directors attended the 2018 Annual Meeting.

Current Board Leadership Structure

At the present time, our Board has chosen to combine the Chairman and Chief Executive Officer positions. Our Board believes that George J. Carter is best suited to serve as both Chairman and Chief Executive Officer because he is most familiar with Franklin Street Properties' business and industry and is most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Mr. Carter has served as Chief Executive Officer and Chairman since he founded Franklin Street Properties, originally Franklin Street Partners Limited Partnership. Our Board believes that independent directors and management have different perspectives and roles in our strategy development. Our independent directors bring experience, oversight and expertise from outside Franklin Street Properties and its industry, while the Chief Executive Officer brings company-specific experience and expertise. Our Board believes that, at the present time, the combined role of Chairman and Chief Executive Officer is in the best interest of Franklin Street Properties and our stockholders and is consistent with good corporate governance. The combined role promotes strategy development and execution and facilitates information flow between management and the Board, which are essential to effective governance.

Lead Independent Director

On February 7, 2014, our Board appointed Georgia Murray as Lead Independent Director. The Lead Independent Director's duties include: coordinating the activities of our independent directors, coordinating the agenda for and chairing sessions of our independent directors, serving as the principal liaison for consultation and communication between our independent directors and our stockholders, facilitating communications between our independent directors, the other members of our Board and our management, and performing such other duties as our Board may from time to time delegate. In performing the duties described above, the Lead Independent Director is expected to consult with the chairs of the appropriate Board committees and solicit their participation in order to avoid diluting the authority or responsibility of such committee chairs.

CORPORATE GOVERNANCE

The Board's Role in Succession Planning

The Board expects management to have an ongoing program for effective senior leadership development and succession. As reflected in our Corporate Governance Guidelines, the Board works on a periodic basis with the Chief Executive Officer to review, maintain and revise, if necessary, the Company's succession plan upon the conclusion of the Chief Executive Officer's service as our Chief Executive Officer for any reason. The Chief Executive Officer reports periodically to the Board on succession planning for the Chief Executive Officer and senior management positions, which report includes a discussion of assessments, leadership development plans and other relevant factors.

The Board's Role in Risk Oversight

Our Board has the primary responsibility for overseeing the Company's risk management processes. A portion of this responsibility has been delegated by the Board to the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, each with respect to the assessment of the risks and risk management in their respective areas of oversight. In general, our Board oversees risk management activities relating to business strategy, acquisitions, capital allocation, organizational structure and certain operational risks. Our Audit Committee oversees risk management activities related to financial controls and legal and compliance risks; our Compensation Committee oversees risk management activities relating to our compensation policies and practices; and our Nominating and Corporate Governance Committee oversees risks relating to our nominating and corporate governance policies and practices. Each committee reports to the full Board on a regular basis, including reports with respect to the committee's risk oversight activities as appropriate. These committees and the full Board focus on the most significant risks facing the Company and the Company's general risk management strategy, and also ensure that risks undertaken by the Company are consistent with the Board's appetite for risk. While the Board oversees the Company's risk management, the Company's management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing the Company and that the leadership structure of our Board supports this approach. The Board and each of our committees regularly discusses with management our major risk exposures, their potential financial impact on Franklin Street Properties, and the steps we take to manage them.

Executive Sessions

Each director has the right to call an executive session without management participation after each regularly scheduled meeting of the entire Board and at such other times that the directors deem such a meeting to be appropriate. Similarly, each independent director has the right to call an executive session with only independent directors present after each regularly scheduled meeting of the entire Board and at such other times that an independent director deems appropriate. At a minimum, the independent directors meet in executive session at least annually without the presence of non-independent directors and management.

Committees of the Board

Our Board has the following three standing committees: (1) Audit, (2) Compensation and (3) Nominating and Corporate Governance. The membership and the function of each of these committees are described below.

Audit	Compensation	Nominating and Corporate Governance
John N. Burke, Chair	Georgia Murray, Chair	Brian N. Hansen, Chair
Brian N. Hansen	John N. Burke	John N. Burke
Dennis J. McGillicuddy	Brian N. Hansen	Kenneth A. Hoxsie
Kenneth A. Hoxsie	Kathryn P. O'Neil	Kathryn P. O'Neil
Georgia Murray		

Audit Committee. Our Board has established an Audit Committee which operates pursuant to a charter approved by our Board and that is reviewed and reassessed at least annually. The Audit Committee, among other functions, (1) has the sole authority to appoint, evaluate, terminate and determine the compensation of our independent registered public accounting firm, (2) reviews with our independent registered public accounting firm the scope and results of the audit engagement, (3) approves professional services provided by our independent registered public accounting firm, (4) reviews

the independence of our independent registered public accounting firm, (5) reviews and approves our policies and procedures for reviewing and approving or ratifying related person transactions and (6) reviews and approves our entry into swaps. Our Board has determined that each member of the Audit Committee is “independent” as that term is defined under the NYSE American Rules, including the independence requirements contemplated by Rule 10A-3 under the Exchange Act. Our Board determined that Mr. Burke qualifies as an “audit committee financial expert” as that term is defined in the rules of the SEC. The Audit Committee Report is included later in this Proxy Statement. The Audit Committee met five times during 2018.

Compensation Committee. Our Board has established a Compensation Committee which operates pursuant to a charter that was approved by our Board and that is reviewed and reassessed at least annually. Our Board has determined that each member of the Compensation Committee has been determined to be “independent” under the NYSE American Rules, including the independence requirements under Rule 10C-1 under the Exchange Act. The Compensation Committee’s responsibilities include, among other duties, the responsibility to (1) review and approve the corporate goals and objectives relevant to the compensation of the Chief Executive Officer, (2) evaluate the performance of the Chief Executive Officer in light of such goals and objectives and either determine and approve or recommend to our Board for approval the compensation of the Chief Executive Officer based on such evaluation, (3) oversee the evaluation of our other executive officers, (4) review and approve, or make recommendations to our Board with respect to, the compensation of our other executive officers, (5) review and make recommendations to our Board with respect to incentive compensation and equity-based plans, (6) review and make recommendations to our Board with respect to the compensation of our non-employee directors and (7) perform other functions or duties deemed appropriate by the Board.

The Compensation Committee is authorized to retain and terminate any compensation consultant to be used to assist in the evaluation of executive officer compensation and to approve the consultant’s fees and other retention terms and to pay the compensation without further action by the Board. The Compensation Committee also has authority to retain or obtain the advice of compensation consultants, legal counsel and other advisors as the Compensation Committee deems necessary or appropriate, and is responsible for assessing the independence of such consultants and advisors, overseeing the work of such consultants and advisors and authorizing the payment of such consultants and advisors. The Compensation Committee makes all compensation decisions relating to compensation of our executive officers other than the Chief Executive Officer and makes a recommendation regarding the compensation of our Chief Executive Officer to the Board. The Chief Executive Officer is not permitted to be present during any deliberations or voting relating to the Chief Executive Officer’s compensation. The Compensation Committee takes into consideration recommendations made by the Chief Executive Officer with respect to compensation decisions relating to executive officers other than the Chief Executive Officer.

The Compensation Committee Report is included later in this Proxy Statement. The Compensation Committee met one time during 2018.

Nominating and Corporate Governance Committee. Our Board has established a Nominating and Corporate Governance Committee which operates pursuant to a charter approved by our Board and is reviewed and reassessed by the Nominating and Corporate Governance Committee at least annually. The Nominating and Corporate Governance Committee is responsible for identifying and recommending individuals to become members of our Board, periodically reviewing our Corporate Governance Guidelines and other corporate governance documents and recommending any changes, as well as ensuring that we are in compliance with all corporate governance and listing standards of the NYSE American. The Nominating and Corporate Governance Committee is authorized to retain advisors and consultants and to compensate them for their services.

The Nominating and Corporate Governance Committee met one time during 2018.

General Committee Information. A copy of each of our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee Charters is available on our website at <http://www.fspreit.com> under the heading “Investor Relations” and then under the subheading “Governance Documents” under “Corporate Information.” In addition, our Board adopted Corporate Governance Guidelines, a copy of which is available in the same place on our website.

Our Board may from time to time establish other special or standing committees to facilitate the management of Franklin Street Properties or to discharge specific duties delegated to a committee by the full Board.

CORPORATE GOVERNANCE

Director Nomination Process

The process followed by the Nominating and Corporate Governance Committee to identify and evaluate director candidates includes requests to our directors and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by our directors. The Nominating and Corporate Governance Committee has established director qualification standards for consideration in recommending candidates to our Board. The Nominating and Corporate Governance Committee is responsible for reviewing with our Board, on an annual basis, the appropriate characteristics, skills and experience required for our Board as a whole and its individual members. In evaluating the suitability of individual candidates (both new candidates and current members of our Board), the Nominating and Corporate Governance Committee, in recommending candidates for election, and our Board, in approving the nomination of (and, in the case of vacancies, electing) such candidates, may take into account a variety of subjective factors, including, without limitation:

- (1) personal and professional integrity, ethics and values;
- (2) experience in corporate management, such as serving as an officer or former officer of a publicly-held company, and a general understanding of marketing, finance and other elements relevant to the success of a publicly-traded company in today's business environment;
- (3) experience in our industry and/or in an industry or industries that may be beneficial to us;
- (4) experience as a board member of another publicly-held company;
- (5) academic expertise in an area of our operations;
- (6) practical and mature business judgment, including ability to make independent analytical inquiries; and
- (7) any relationships, financial, professional or social in nature, that a candidate may have with members of management or other board members in so far as they may affect the independence of such candidate.

Although our Board does not have a formal diversity policy, the Nominating and Corporate Governance Committee and our Board also consider diversity of our Board in its evaluation of candidates for board membership. The Nominating and Corporate Governance Committee and our Board believe that diversity with respect to viewpoint, skills and experience should be an important factor in board composition. The Nominating and Corporate Governance Committee and our Board discuss diversity considerations in connection with each potential nominee, as well as on a periodic basis in connection with the composition of our Board as a whole. The Nominating and Corporate Governance Committee and our Board do not assign specific weight to particular factors, and no particular factor is a prerequisite for each prospective nominee. The Nominating and Corporate Governance Committee and our Board believe that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow our Board to fulfill its responsibilities. Our Board evaluates each individual in the context of our Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of our Board.

Stockholder Recommendations and Board Nominations

Stockholders may recommend individuals to our Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials to our principal office, 401 Edgewater Place, Suite 200, Wakefield, Massachusetts 01880, Attn: Scott H. Carter, Secretary. Assuming that appropriate biographical and background material has been provided on a timely basis, our Nominating and Corporate Governance will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. If our Board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy card for the next Annual Meeting.

Stockholders also have the right under our bylaws to directly nominate director candidates, without any action or recommendation on the part of our Nominating and Corporate Governance Committee or Board, by following the procedures set forth below under “Other Information—Stockholder Proposals.” Candidates nominated by stockholders in accordance with the procedures set forth in the bylaws would be presented as a nominee at the next Annual Meeting but would not be included in our proxy card for the next Annual Meeting.

Stockholder Power to Amend Bylaws

After engaging with the Company’s stockholders during the fourth quarter of 2017, on and effective February 2, 2018, our Board amended and restated the Company’s bylaws to, among other items, provide stockholders with the power to amend the Company’s bylaws by the affirmative vote of the holders of two-thirds of the outstanding shares of Common Stock pursuant to a binding proposal submitted by any stockholder or group of up to five stockholders holding at least one percent of the outstanding shares of Common Stock for at least one year (the “Ownership Threshold”). Such a stockholder proposal submitted under Article XIV (Amendment of Bylaws) of the bylaws may not alter or repeal Article XIV without the approval of the Board.

We believe the Ownership Threshold enables stockholders who have held a meaningful stake in the Company for more than a brief period of time to propose binding amendments to the Company’s bylaws. As of February 19, 2019, (i) 14 stockholders each held more than one percent of the outstanding shares of Common Stock (representing more than 60.5% of outstanding shares in the aggregate), (ii) an additional 25 stockholders each held at least 0.2 percent of the outstanding shares of Common Stock (representing more than 10.45% of outstanding shares in the aggregate), and (iii) these 30 stockholders together owned more than 70.97% of the outstanding shares of Common Stock.

The Company’s decision to amend the bylaws to provide stockholders with the power to amend the bylaws was guided, in part, by the fact that approximately 44.1% of the Russell 3000 companies have supermajority thresholds for stockholders to amend the bylaws, and that the default voting standard for charter amendments and extraordinary actions under Maryland law is two-thirds of the outstanding shares of voting stock.

Code of Business Conduct and Ethics

Franklin Street Properties is committed to establishing and maintaining an effective ethics and compliance program that is intended to increase the likelihood of preventing, detecting, and correcting ethical lapses and violations of law or Company policy. The Company has adopted a Code of Business Conduct and Ethics (the “Code”) which applies to all officers, and employees, as well as to our Board.

The Code is available on the Company’s website at <http://www.fspreit.com> under the heading “Investor Relations” and then under the subheading “Governance Documents” under “Corporate Information.” We will disclose amendments to, or waivers of our Code that are required to be disclosed under the securities rules, by posting such information on the Company’s website, www.fspreit.com. Any waiver of our Code for directors or executive officers must be approved by the Board. The Company did not grant any such waivers during 2018 and does not anticipate granting any such waivers during 2019.

Compensation Committee Interlocks and Insider Participation

During the fiscal year ended December 31, 2018, Georgia Murray (Chair), Kathryn O’Neil, John Burke and Brian Hansen served as members of the Compensation Committee. No executive officer of Franklin Street Properties has served as a director or member of the compensation committee (or other committee serving an equivalent function, or in the absence of any such committee, the entire board of directors) of any other entity that has one of its executive officers serving or having served as a member of our Board or Compensation Committee.

We also reimburse our non-employee directors for expenses incurred by them in connection with attendance at Board meetings.

Non-employee Director Stock Ownership Requirements

The Board believes that all non-employee directors should maintain a meaningful personal financial stake in the Company to align their long-term interests with those of our stockholders. Pursuant to our Corporate Governance Guidelines, non-employee directors are required to own shares of Common Stock valued at five times the cash portion of their annual directors' retainer (excluding any additional cash retainer payable for serving as a committee chair or attendance at meetings).

For purposes of determining compliance with these requirements, the "value" of Common Stock shall be determined using the greater of (i) the actual cost basis of such shares or (ii) the Company's average closing stock price for the preceding calendar year.

Non-employee directors serving as of February 7, 2014 (the date of initial adoption of these requirements) will have until February 7, 2021, seven years following the initial adoption of these requirements, to meet the minimum ownership requirements. Non-employee directors who are elected or appointed after the initial adoption of these requirements will have seven years from the time they are elected or appointed to meet the minimum ownership requirements.

If an individual becomes subject to an increased ownership amount due to an increase in cash retainer or base salary, the individual is expected to satisfy the incrementally higher ownership amount within seven years of the effective date of the increased requirement.

All non-employee directors were in compliance with these stock ownership requirements as of March 1, 2019.

During 2018 and 2017, all services provided to Franklin Street Properties by Ernst & Young LLP were pre-approved by the Audit Committee.

PROPOSAL TWO — RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected and appointed Ernst & Young LLP as our independent registered public accounting firm and to audit our consolidated financial statements for the year ending December 31, 2019. Ernst & Young LLP has audited our consolidated financial statements since the year ended December 31, 2003. Although ratification by stockholders is not required by law or by our bylaws, the Audit Committee believes that submission of its selection to stockholders is a matter of good corporate governance. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in the best interests of Franklin Street Properties and its stockholders. If our stockholders do not ratify the appointment Ernst & Young LLP, the Audit Committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of independent registered public accounting firm.

It is anticipated that a representative of Ernst & Young LLP will attend the Annual Meeting, will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Vote Required

A majority of all the votes cast at the Annual Meeting is required to ratify the appointment of Ernst & Young LLP. You may vote FOR or AGAINST, or abstain from ratifying the appointment of Ernst & Young LLP. Votes cast FOR ratifying the appointment of Ernst & Young LLP will count as “yes” votes and votes cast AGAINST ratifying the appointment of Ernst & Young LLP will count as “no” votes. Abstentions will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum. If you own shares in street name, in the absence of your voting instructions, your broker, financial institution or other nominee may choose to vote your shares with respect to ratifying the appointment of Ernst & Young LLP in its discretion.

Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS YOU VOTE FOR RATIFYING THE APPOINTMENT OF ERNST & YOUNG LLP. PROPERLY AUTHORIZED PROXIES SOLICITED BY THE BOARD WILL BE VOTED FOR THIS PROPOSAL UNLESS INSTRUCTIONS TO THE CONTRARY ARE GIVEN.

PROPOSAL THREE — ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are providing our stockholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our Named Executive Officers as disclosed in this Proxy Statement in accordance with the SEC's rules. This proposal, which is commonly referred to as "say-on-pay," is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which added Section 14A to the Exchange Act. After taking into consideration the voting results of the 2018 Annual Meeting of Stockholders and the prior recommendation of our Board of Directors in favor of an annual advisory shareholder vote on the compensation of our Named Executive Officers, we intend to continue to hold advisory votes on the compensation of our Named Executive Officers every year.

Our executive compensation programs are designed to attract, motivate, and retain our executive officers, who are critical to our success. Under these programs, our Named Executive Officers are rewarded for the achievement of our financial and strategic goals and for driving corporate financial performance and stability. The "Executive Compensation" section of this Proxy Statement, including "Compensation Discussion and Analysis," describes in detail our executive compensation program and the decisions made by the Compensation Committee and the Board with respect to the year ended December 31, 2018. Highlights of our executive compensation program include the following:

- Our base salary amounts are generally lower than industry standard levels.
- None of our executive officers has an employment agreement.
- Except in the case of a change-in-control of Franklin Street Properties, we are not obligated to pay severance or other enhanced benefits to executive officers upon termination of their employment.
- We do not offer stock options, restricted stock awards, deferred compensation, non-equity incentive plan compensation or perquisites, which we believe keeps our compensation simple and straightforward.

Our Board of Directors is asking stockholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and any related material disclosed in the Proxy Statement, is hereby approved.

Vote Required

A majority of votes cast at the Annual Meeting is required for adoption of this proposal. You may vote FOR or AGAINST this proposal or you may abstain from voting on this proposal. If you own shares in street name, in the absence of your voting instructions, your broker, financial institution or other nominee may not vote your shares with respect to adopting this proposal in its discretion, resulting in a broker non-vote. Abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote. This proposal is non-binding. The outcome of this advisory vote will not overrule any decision by the Company or the Board (or any committee thereof), create or imply any change to the fiduciary duties of the Company or the Board (or any committee thereof), or create or imply any additional fiduciary duties for the Company or the Board (or any committee thereof). However, our Compensation Committee and Board value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for our Named Executive Officers.

Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL. PROPERLY AUTHORIZED PROXIES SOLICITED BY THE BOARD WILL BE VOTED FOR THIS PROPOSAL UNLESS INSTRUCTIONS TO THE CONTRARY ARE GIVEN.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

It is critical that we be able to attract, motivate and retain highly talented individuals at all levels of the organization. We believe that compensation levels should be competitive enough to attract and retain experienced and capable leaders and motivate those individuals to achieve exceptional results and reward them for being instrumental in reaching our strategic goals. At the same time, we believe in simplicity and maintaining compensation at responsible levels. For 2018, the compensation of executives consisted of the same four components as were provided to all of our employees: (1) base salary; (2) the potential for a cash bonus; (3) matching for individual 401(k) plan contributions; and (4) the potential for a payment or payments under our change-in-control program. Although our executives are eligible to be granted awards of Common Stock under our 2002 stock incentive plan, we have not made any awards under the plan since our initial listing on the American Stock Exchange (now NYSE American) in June 2005. In addition, we do not offer stock options, restricted stock awards, deferred compensation, non-equity incentive plan compensation or perquisites. None of our employees have employment agreements and we do not have any policies that require any of our employees to own our Common Stock.

Our executive officers consist of the Chief Executive Officer, the Chief Financial Officer, the President and Chief Investment Officer, the General Counsel, the President of FSP Property Management LLC and the Chief Operating Officer. For the fiscal year ended December 31, 2018, our Named Executive Officers were George J. Carter, our Chief Executive Officer; John G. Demeritt, our Executive Vice President, Chief Financial Officer and Treasurer; Jeffrey B. Carter, our President and Chief Investment Officer; John F. Donahue, Executive Vice President and President of FSP Property Management LLC; and Scott H. Carter, our Executive Vice President, General Counsel and Secretary.

We have reviewed our compensation policies and practices for all employees and concluded that any risks arising from our policies and programs are not reasonably likely to have a material adverse effect on Franklin Street Properties.

The objectives of our executive compensation programs

Our Compensation Committee bases our executive compensation programs on the same core objectives that guide us in establishing all of our compensation programs:

- Compensation should promote the achievement of our business goals and maximize corporate performance and shareholder returns.
- Compensation should be based on the principles of competitive and fair compensation and sustained performance.
- Compensation should be based on the level of job responsibility, individual performance and corporate performance. As employees advance to higher levels within the organization, an increasing proportion of their compensation should be linked to corporate performance and enhancing shareholder value.
- Compensation should reflect the value of the job in the marketplace. Compensation should be competitive with other employers that compete with us for talent so that we continue to be able to attract and retain highly talented employees.
- Compensation should reward performance. Our compensation programs should deliver competitive compensation for excellent individual and corporate performance. Similarly, our compensation programs should deliver less compensation, including the possibility of no cash bonus, in the event that individual and/or corporate performance fall short of expectations.
- Compensation should be equitable. We strive to achieve equitable distributions both for compensation of individual officers and between officers and other employees throughout the organization.
- Compensation and benefit programs should be designed to attract, motivate and retain highly talented employees who are interested in building a career with us.

What our executive compensation programs are designed to reward and how we determine the amount (and, where applicable, the formula) for each element to pay

Decisions regarding executive compensation are based on various subjective performance criteria, including corporate and individual performance.

Our Compensation Committee has established a number of processes to assist it in ensuring that our executive compensation program achieves its objectives. Among those are:

- Consideration of various measures of corporate performance, including reviewing the extent to which strategic and business plan goals are met, levels of property acquisitions, performance of properties in our portfolio, gains or losses on property dispositions, levels of earnings, funds from operations, or FFO, dividends and maintaining shareholder value. Our Compensation Committee does not apply a formula or assign these performance measures relative weights. Instead, it makes a subjective determination after considering such measures collectively.
- Consideration of individual performance. The members of the Compensation Committee meet with the Chief Executive Officer annually at the beginning of the year to discuss both individual and corporate priorities for the current year. At that same meeting, the members of the Compensation Committee meet to conduct a review of the Chief Executive Officer's performance over the past year based on various subjective performance criteria, including his contributions to individual and corporate priorities, his contribution to corporate performance, the degree to which teamwork and corporate values are fostered and other leadership accomplishments. This evaluation is shared with the Chief Executive Officer and is considered by the Compensation Committee in establishing the Chief Executive Officer's compensation. With respect to the other Named Executive Officers, the members of the Compensation Committee receive a performance assessment and compensation recommendation from the Chief Executive Officer. In establishing the compensation for each of the other Named Executive Officers, the Compensation Committee is not required to give specific weight to any particular criterion or performance metric. The Compensation Committee considers the performance assessment and compensation recommendation from the Chief Executive Officer and also exercises its own judgment based on various subjective performance criteria, including contributions to corporate performance, the degree to which teamwork and corporate values were fostered and other leadership accomplishments.
- Comparison of our executive compensation programs as a whole and also a comparison of total executive compensation for each individual with the compensation practices of other companies in the real estate industry. Historically, the Compensation Committee has used the National Association of Real Estate Investment Trusts (NAREIT) Annual Compensation Survey for comparison purposes. To ensure that total compensation is competitive, the Compensation Committee uses the results of the comparison to establish general compensation guidelines. Our Compensation Committee does not apply a formula or assign the survey data relative weight. Instead, it makes a subjective determination for that individual after considering such results collectively.
- Our stockholders approved each of the say-on-pay proposals in 2016 and 2017 by over 95% of votes cast. The Compensation Committee considered this support level in its determination to maintain similar compensation policies and elements of compensation in 2018.

Each element of compensation and why we choose to pay each element

(a) Base Salary

Executive officers are paid a base salary. We believe that a competitive base salary provides an important guaranteed element to compensation. We also believe that the payment of a competitive base salary is consistent with the compensation practices of other comparable companies.

(b) Cash Bonus

Executive officers are eligible for a cash bonus based on various subjective performance criteria, including corporate and individual performance. The payment of a cash bonus is purely discretionary based upon overall performance and in some years there could be no cash bonus payments. We believe that the opportunity to earn a competitive cash bonus provides a monetary incentive that encourages both corporate and individual performance. We also believe that the payment of a competitive cash bonus is consistent with the compensation practices of other comparable companies.

COMPENSATION DISCUSSION AND ANALYSIS

(c) 401(k) Matching

Executive officers are eligible to participate in our 401(k) plan. We offer all employees a 401(k) plan that, in 2018, allowed for salary deferrals of up to \$18,500 per year (indexed for inflation), or up to \$24,500 per year including catch-up provisions for individuals aged 50 or older. We matched up to 3% of an employee's compensation (up to a compensation cap of \$200,000) for plan year 2018 and will match up to 3% of employee compensation (up to a compensation cap of \$200,000) for plan year 2019. Employees make their 401(k) contributions through payroll deductions with pretax dollars. All employees are eligible to participate in the plan immediately upon hiring. The employee's elective deferrals are immediately vested upon contribution to the 401(k) plan, and the employee has sole decision making authority as to the investment of funds. We believe that our 401(k) plan provides a vehicle for our employees to plan for their long-term security and that such a plan ultimately leads to improved job performance. We also believe that our 401(k) plan is consistent with the compensation practices of other comparable companies.

(d) Change-in-Control Program

Except in the case of a change-in-control of Franklin Street Properties, we are not obligated to pay severance or other enhanced benefits to Named Executive Officers upon termination of their employment.

In February 2006, we adopted a change-in-control program for all our employees, including our executive officers. The program was adopted in response to merger and consolidation activity within the real estate/real estate investment trust industry and is intended to preserve employee morale and productivity and encourage retention in the event of an actual or rumored change-in-control of Franklin Street Properties. The program is also intended to align employee and shareholder interests by enabling employees to consider corporate transactions that are in the best interests of the shareholders and other constituents of Franklin Street Properties without undue concern over whether the transaction or transactions may jeopardize the employee's own employment.

Although there are some differences in payment amounts depending on the employee's job level, the basic elements of the program are comparable for all employees:

- The program consists of two components: a fixed payment pursuant to a retention agreement between the employee and Franklin Street Properties and the potential for an additional discretionary payment pursuant to a discretionary plan.
- The triggering event for both components is a change-in-control of Franklin Street Properties. A change-in-control of Franklin Street Properties, as defined in the plan, generally refers to a change in ownership or effective control of Franklin Street Properties or a change in ownership of a substantial portion of the assets of Franklin Street Properties.
- Under the retention agreement component of the program, employees would receive a payment as soon as practicable following the closing of the change-in-control, but in no event more than thirty days following the closing of the change-in-control. Executive officers would receive payments equal to three years of their base salaries plus a bonus opportunity payment equal to three years of their base salaries. For purposes of the retention agreement component of the program, base salary refers to the base salary of the employee in effect at the time of the closing of the change-in-control. Payments under the retention agreements are subject to a possible reduction, if any, after the tax consequences of the payment are determined.
- Under the discretionary plan component of the program, immediately prior to the closing of the change-in-control, our Board of Directors may (but is not obligated to) establish a discretionary pool of funds equal to 1% of the market capitalization of Franklin Street Properties immediately prior to the closing of the change-in-control less the total amount of payments to all employees under the retention agreement component of the program. Our Board of Directors would have complete discretion to award all, a portion or none of the discretionary plan pool of funds to any employees of Franklin Street Properties, including the executive officers. Payments under the discretionary plan component are subject to a possible reduction, if any, after the tax consequences of the payment are determined.

Prior to adopting our change-in-control program, management reviewed plans similar to our retention agreement component offered by approximately ten other publicly-traded real estate investment trusts and concluded that our triggering event was generally consistent with the peer group. Management did not review any plans that were comparable

to our discretionary plan but concluded that, on balance, the total potential payout amounts under our change-in-control program are generally consistent with the range offered by the peer group.

Our Chief Executive Officer has voluntarily elected not to participate in the retention agreement component of our change-in-control program.

(e) Awards of Common Stock under our 2002 Stock Incentive Plan

Executive officers are eligible for awards of Common Stock under our 2002 stock incentive plan. The 2002 stock incentive plan permits our Board of Directors to award up to 2,000,000 shares of our Common Stock to eligible participants. Prior to our listing on the American Stock Exchange (now the NYSE American) in June 2005, our employees were not able to purchase our Common Stock, and we determined that it was necessary and appropriate to be able to compensate our employees with stock awards as a means of attracting, retaining and motivating key personnel and to align the interests of management and all personnel with those of our stockholders. All of our employees, officers and directors are eligible to participate in the plan. There have been no awards of Common Stock under the 2002 stock incentive plan since we started listing our Common Stock on a stock exchange in June 2005, as employees are now able to purchase Common Stock in the open market. As of March 1, 2019, 1,944,428 shares of our Common Stock were available under the plan. Although we have not made any awards under the 2002 stock incentive plan since 2005, we may determine in the future to grant stock awards under the 2002 stock incentive plan or a new stock plan in order to attract, retain, or motivate our executives.

How each element and our decisions regarding that element fit into our overall compensation objectives and affect decisions regarding other elements

Overview

The Compensation Committee believes that our executive officers worked diligently during 2018 on continuing to position the Company for long-term growth through leasing and balance sheet management. More specifically, during 2018, we leased approximately 1,681,000 square feet, approximately 397,000 square feet of which was with new tenants. The approximately 1,681,000 square feet that we leased during 2018 was a Company record. We also continued to manage our balance sheet by reducing interest margins and extending maturity dates. On August 2, 2018, we recast our \$150 million term loan with JPMorgan Chase Bank, N.A. as administrative agent to, among other things, (i) decrease the interest margin depending on the Company's credit rating and (ii) extend the maturity date from November 30, 2018 to November 30, 2021 (with two optional six month extensions). In addition, on September 27, 2018, we recast our \$220 million term loan with Bank of Montreal as administrative agent to, among other things, (i) decrease the interest margin depending on the Company's credit rating, (ii) separate the existing \$220 million term loan into two tranches, consisting of a \$55 million tranche A term loan and a \$165 million tranche B term loan, and (iii) extend the maturity date from August 26, 2020 to (a) November 30, 2021 with respect to tranche A and (b) January 31, 2024 with respect to tranche B. Based upon its review of the compensation practices of other comparable companies, the Compensation Committee believes that total compensation for the executive officers is within the range of total compensation paid to executive officers with comparable qualifications, experience and responsibilities in the same or similar businesses and of comparable size and success.

(a) Base Salary

In reviewing base salaries for 2018, the members of the Compensation Committee applied the principles described above under "What our executive compensation programs are designed to reward and how we determine the amount (and, where applicable, the formula) for each element to pay." Based upon the recommendation of the Chief Executive Officer, the Compensation Committee approved annualized base salary increases of approximately 3% for each of the executive officers other than the Chief Executive Officer. The above-described annualized base salary increases were effective on January 22, 2018. However, at the request of the Chief Executive Officer, the Compensation Committee did not make any recommendation to increase the base salary for the Chief Executive Officer to our Board of Directors. The last time that our Chief Executive Officer accepted a base salary increase was in February 2015. Our base salary amounts are generally lower than industry standard levels. Accordingly, compensation of these positions will be weighted proportionately greater towards year-end bonus amounts based upon corporate and individual performance.

(b) Cash Bonus

As discussed above, the focus during 2018 continued to be on positioning the Company for long-term growth through leasing and balance sheet management. In awarding cash bonuses for 2018, the members of the Compensation Committee applied the principles described above under "What our executive compensation programs are designed to reward and how we determine the amount (and, where applicable, the formula) for each element to pay." Based upon the

COMPENSATION DISCUSSION AND ANALYSIS

recommendation of the Chief Executive Officer, the Compensation Committee approved cash bonuses for each of the executive officers other than the Chief Executive Officer in the amounts recommended by the Chief Executive Officer. In making his recommendations, the Chief Executive Officer noted, and the Compensation Committee made a subjective determination, that each officer's area of responsibility and accountability (i.e., business unit) contributed to the Company's performance during 2018, as a result of each person's leadership and direction. It was further noted that each of these individuals was considered to be integral to the daily operations of Franklin Street Properties and of great value to Franklin Street Properties and firmly committed to doing what is in the best interests of our stockholders.

Except for the Chief Operating Officer and the President of FSP Property Management LLC, who each received modest increases in order to more closely align their bonus amounts with those of the other executive officers other than the Chief Executive Officer, the cash bonus amounts paid for 2018 were lower than those paid for 2017. The Chief Executive Officer recommended lower cash bonus amounts due to a variety of subjective factors, but primarily due to a decrease in the price of our Common Stock over the course of 2018. The Compensation Committee believes that the cash bonus amounts are within the range of total compensation paid to executive officers with comparable qualifications, experience and responsibilities in the same or similar businesses and of comparable size and success as the Company. The Compensation Committee believes that our overall and relative performance for 2018 was a direct consequence of the dedication and hard work of these individuals and their staffs.

The Compensation Committee also reviewed and evaluated the performance of the Chief Executive Officer during 2018 by applying the principles described above under "What our executive compensation programs are designed to reward and how we determine the amount (and, where applicable, the formula) for each element to pay." The Compensation Committee recognized and appreciated the efforts made by the Chief Executive Officer during 2018 and noted that the Chief Executive Officer was firmly committed to doing what is in the best interests of our stockholders. However, at the request of the Chief Executive Officer, the Compensation Committee made a recommendation to our Board of Directors that no cash bonus be awarded to our Chief Executive Officer in respect of 2018. Our Chief Executive Officer believes that the Chief Executive Officer has the ultimate responsibility for the stock price and that, due to such responsibility, the Chief Executive Officer's compensation should reflect the stock's relative performance in the marketplace. The price of our Common Stock had decreased over the course of the year, with the opening price per share on January 2, 2018 at \$10.69 and the closing price per share on December 31, 2018 at \$6.23. Ultimately, the Compensation Committee decided to honor our Chief Executive Officer's request that he not be considered for a cash bonus for 2018 performance.

(c) 401(k) Matching

There were no proposals made to modify our 401(k) plan program in 2018.

(d) Change-in-Control Program

Because we determined that our change-in-control program continues to satisfy its original intended purpose, there were no proposals made to modify the program in 2018.

(e) Awards of Common Stock under our 2002 Stock Incentive Plan

Because we determined that we were able to adequately compensate the executive officers who make up the corporate management team with salary and cash bonuses in 2018, no Common Stock awards were made in 2018.

COMPENSATION COMMITTEE REPORT

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis included in this Proxy Statement. Based on this review and these discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

In February 2006, we adopted a change-in-control program for all our employees, including our executive officers. We adopted the program in response to merger and consolidation activity within the real estate/real estate investment trust industry, to preserve employee morale and productivity and to encourage retention in the event of an actual or rumored change-in-control of the Company. The program is also intended to align employee and shareholder interests by enabling employees to consider corporate transactions that are in the best interests of the shareholders and other constituents of the Company without undue concern over whether the transaction or transactions may jeopardize the employee's own employment. For an overview of our change-in-control program, please refer to the discussion included under the heading "Compensation Discussion and Analysis – Each element of compensation and why we choose to pay each element – (d) Change-in-Control Program."

Assuming that the closing of a change-in-control occurred on December 31, 2018, our Named Executive Officers would be entitled to payment of the following amounts under the retention agreement component of our change-in-control program:

Name and Principal Position	Potential Payment due under the Retention Agreement
George J. Carter, Chief Executive Officer (PEO)	N/A (1)
John G. Demeritt, Executive Vice President, Chief Financial Officer and Treasurer (PFO)	\$ 1,570,686 (2)
Jeffrey B. Carter, President and Chief Investment Officer	\$ 1,573,254 (2)
Scott H. Carter, Executive Vice President, General Counsel and Secretary	\$ 1,365,816 (2)
John F. Donahue, Executive Vice President and President of FSP Property Management LLC	\$ 1,326,468 (2)
TOTAL	\$ 5,836,224

NOTES

- (1) George J. Carter has voluntarily elected not to participate in the retention agreement component of our change-in-control program.
- (2) These are lump-sum payments equal to three years of base salaries plus a bonus opportunity payment equal to three years of base salaries. The payment amounts are subject to a possible reduction, if any, after the tax consequences are determined.

Under the discretionary plan component of our change-in-control program, our Board of Directors has the right, but not the obligation, to establish a discretionary pool of funds equal to 1% of our market capitalization immediately prior to the closing of the change-in-control. On December 31, 2018, there were 107,231,155 shares of our Common Stock outstanding, and the closing price per share of our Common Stock was \$6.23. Accordingly, on December 31, 2018, our market capitalization was \$668,050,096, and 1% of our market capitalization equaled \$6,680,501. This \$6,680,501 amount would then be reduced by the total amount of payments due and payable to all of our employees (including our Named Executive Officers) under the retention agreement component of our change-in-control program. Our Board of Directors would then have complete discretion to award all, a portion or none of any remaining balance to any of our employees, including our Named Executive Officers. As is the case with the retention agreement component of our change-in-control program, any payments under the discretionary plan component are subject to a possible reduction, if any, after the tax consequences are determined.

PAY RATIO DISCLOSURE

PAY RATIO DISCLOSURE

Pursuant to applicable SEC rules, presented below is a reasonable estimate of the ratio of the annual total compensation of our Chief Executive Officer to the median of the annual total compensation of our other employees.

We determined our median employee based on annual total compensation, consisting of salary, bonus and 401(k) match, actually paid for 2018 performance⁽¹⁾ to each of our 38 employees (excluding the Chief Executive Officer) as of December 31, 2018. The annual total compensation of our median employee (excluding the Chief Executive Officer) for 2018⁽¹⁾ was \$110,807. As disclosed in the Summary Compensation Table appearing on page 37, our Chief Executive Officer's annual total compensation for 2018 was \$306,000. Based on the foregoing, our estimate of the ratio of the annual total compensation of our Chief Executive Officer to the median of the annual total compensation of all other employees was approximately 2.76 to 1.

NOTE

- (1) For certain employees, bonuses for 2018 performance were paid in January or February 2019.

PROPOSAL FOUR — AMENDMENT TO ARTICLES OF INCORPORATION TO DECLASSIFY BOARD OF DIRECTORS

The Board has approved and declared advisable, and recommends for approval by our stockholders, an amendment to our articles of incorporation that would eliminate the classified board structure contained therein and, therefore, when implemented, provide for the annual election of all directors.

The classified structure of our Board has been in place since our inception, with each class serving for staggered three-year terms. In advance of this Annual Meeting, the Nominating and Corporate Governance Committee as well as the full Board reviewed and reconsidered the arguments both for and against a classified board structure, many of which have been set forth in previous proxy statements in connection with both management-sponsored and non-binding stockholder declassification proposals, as well as other factors, including the results of the votes upon such proposals. Arguments for eliminating the classification of a board of directors include that it could have the effect of increasing director accountability, it would give stockholders the opportunity to express their views on the performance of each director annually, it is responsive to our stockholders and the annual election of directors is in place at a majority of the S&P 500 and S&P 1500 companies. Arguments against eliminating the classification of a board of directors include that classified three-year terms for directors can be consistent with and supportive of a company's long-term business and investment strategy and that a classified board structure can help to safeguard against coercive attempts to acquire control over a company. After careful consideration, the Nominating and Corporate Governance Committee recommended to the Board that, although there continue to be strong arguments in favor of continuing a classified board, it was advisable to amend our articles of incorporation to eliminate the classification of the Board. The Board considered carefully the recommendation of the Nominating and Corporate Governance Committee as well as the reasons for that recommendation and determined that it was advisable to amend our articles of incorporation to eliminate the classification of the Board. The following description of the proposed amendment to our articles of incorporation is a summary only and is qualified by the full text of the proposed amendment to our articles of incorporation, which is attached to this Proxy Statement as Annex A.

Under Maryland law and our articles of incorporation, amending our articles of incorporation to provide that all directors serve annual terms first requires the approval of a majority of the Board and then, at a subsequent stockholder meeting, the affirmative vote of the holders of not less than 80% of the shares of Common Stock issued and outstanding and entitled to vote. Our Board upon the recommendation of the Nominating and Corporate Governance Committee, approved this amendment to our articles of incorporation at a meeting held on January 31, 2019. If the amendment to our articles of incorporation is approved by stockholders, then commencing with the class of directors standing for election at the 2020 Annual Meeting of Stockholders, directors will stand for election for one-year terms expiring at the next succeeding annual meeting of stockholders. The directors who were elected at the 2018 Annual Meeting of Stockholders, whose terms will expire in 2021, and the directors who are elected at the 2019 Annual Meeting of Stockholders, whose terms will expire in 2022, will hold office until the end of their respective terms. In all cases, each director will hold office until his or her successor is duly elected and qualifies or until his or her earlier death, resignation or removal. Assuming this proposal is approved by stockholders, any director elected to the Board to fill a vacancy following the 2019 Annual Meeting of Stockholders will hold office for a term expiring at the next annual meeting of stockholders following such election.

In addition, declassification would also require amending our bylaws to remove the existing provisions relating to a classified board structure. On January 31, 2019, our Board, upon the recommendation of the Nominating and Corporate Governance Committee, approved such bylaw amendments, which will only become effective if stockholders approve the proposed amendment to our articles of incorporation and also includes an amendment to Article II, Section 8 of our bylaws. This amendment changes the words "affirmatively withheld" to "against" in the first sentence of Article II, Section 8, which relates to the election of directors by stockholders. The purpose of this amendment is to clarify the type of votes that can be cast in director elections and has no effect on the process of director elections. You are not being asked to vote on any of the amendments to our bylaws described herein.

If approved by the requisite vote of stockholders, the amendment to our articles of incorporation will become effective when the articles of amendment are filed with, and accepted for record by, the State Department of Assessments and Taxation of Maryland, which we expect to occur promptly after the Annual Meeting.

PROPOSAL FOUR – AMENDMENT TO ARTICLES OF INCORPORATION TO DECLASSIFY BOARD OF DIRECTORS

If the amendment to our articles of incorporation is not approved by stockholders, the Board will remain classified, and directors elected at future annual meetings of stockholders will serve three-year terms and will hold office until their respective successors are duly elected and qualified or until their earlier death, resignation or removal.

Vote Required

The affirmative vote of the holders of not less than 80% of the shares of Common Stock issued and outstanding and entitled to vote on this proposal is required for approval of the amendment to our articles of incorporation to eliminate the classified board structure. You may vote FOR or AGAINST this proposal or you may abstain from voting on this proposal. If you own shares in street name, in the absence of your voting instructions, your broker, bank or other nominee may not vote your shares with respect to approving this proposal in its discretion, resulting in a broker non-vote. Accordingly, abstentions and broker non-votes, if any, will have the effect of a vote against the proposal as the underlying shares are included in determining the number of outstanding shares entitled to vote on the proposal.

Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL. PROPERLY AUTHORIZED PROXIES SOLICITED BY THE BOARD WILL BE VOTED FOR THIS PROPOSAL UNLESS INSTRUCTIONS TO THE CONTRARY ARE GIVEN.

TRANSACTIONS WITH RELATED PERSONS

TRANSACTIONS WITH RELATED PERSONS

Related Person Transaction Policy

On February 2, 2007, our Board of Directors adopted written policies and procedures for the review of any transaction, arrangement or relationship in which Franklin Street Properties is a participant, the amount involved exceeds \$120,000, and one of our executive officers, directors, director nominees or 5% stockholders (or their immediate family members), each of whom we refer to as a related person, has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a related person transaction, the related person must report the proposed related person transaction to our Chief Operating Officer or General Counsel.

The policy calls for the proposed related person transaction to be reviewed and, if deemed appropriate, approved by the Audit Committee of our Board of Directors. Whenever practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the Audit Committee will review, and, in its discretion, may ratify the related person transaction. The policy also permits the chairman of the Audit Committee to review and, if deemed appropriate, approve proposed related person transactions that arise between committee meetings, subject to ratification by the committee at its next meeting. Any related person transactions that are ongoing in nature will be reviewed annually. A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the Audit Committee after full disclosure of the related person's interest in the transaction. As appropriate for the circumstances, the committee will review and consider:

- the related person's interest in the related person transaction;
- the approximate dollar value of the amount involved in the related person transaction;
- the approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;
- whether the transaction was undertaken in the ordinary course of our business;
- whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party;
- the purpose of, and the potential benefits to us of, the transaction; and
- any other information regarding the related person transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

The Audit Committee may approve or ratify the transaction only if the committee determines that, under all of the circumstances, the transaction is in, or is not inconsistent with, our best interests.

The Audit Committee may impose any conditions on the related person transaction that it deems appropriate.

In addition to the transactions that are excluded by the instructions to the Securities and Exchange Commission's related person transaction disclosure rule, our Board of Directors has determined that the following transactions do not create a material direct or indirect interest on behalf of related persons and, therefore, are not related person transactions for purposes of this policy:

- interests arising only from the related person's position and ownership level as a director of another corporation or organization that is a party to the transaction;
- interests arising only from the position and ownership level from direct or indirect ownership by the related person and all other related persons in the aggregate of less than a 10% equity interest (other than a general partnership interest) in another entity which is a party to the transaction;

TRANSACTIONS WITH RELATED PERSONS

- interests arising solely from the ownership of a class of our equity securities if all holders of that class of equity securities receive the same benefit on a pro rata basis;
- a transaction that involves compensation to an executive officer if the compensation has been approved, or recommended to the Board of Directors for approval, by the Compensation Committee of the Board of Directors or a group of independent directors of Franklin Street Properties performing a similar function;
- a transaction that involves compensation to a director for services as a director of Franklin Street Properties if such compensation will be reported pursuant to Item 402(k) of Regulation S-K;
- a transaction that is specifically contemplated by provisions of Franklin Street Properties' charter or bylaws;
- interests arising solely from indebtedness of a significant stockholder or an immediate family member of a significant stockholder to us;
- a transaction where the rates or charges involved in the transaction are determined by competitive bids;
- a transaction that involves the rendering of services as a common or contract carrier or public utility at rates or charges fixed in conformity with law or governmental authority;
- a transaction that involves services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture, or similar services;
- interests arising as a result of a related person serving at our request as an officer and/or director of another company, including single-purpose real estate investment trusts whose equity syndication we sponsored, which we refer to as Sponsored REITs; or
- a transaction that involves the payment by a Sponsored REIT to Franklin Street Properties (or any wholly-owned subsidiary thereof) of customary fees including, without limitation, acquisition, syndication, sales commissions, interim financing, investor servicing fees and asset management fees.

The policy provides that transactions involving compensation of executive officers shall be reviewed and approved by the Compensation Committee in the manner specified in its charter.

The policy is available on our website at <http://www.fspreit.com>.

Transactions with Related Persons

George J. Carter, John G. Demeritt, John F. Donahue and Jeffery B. Carter, each of whom is an executive officer of Franklin Street Properties, serve, at our request, as executive officers and directors of each of the Sponsored REITs. None of such persons receives any remuneration from the Sponsored REITs for such service. We are involved in several transactions with the Sponsored REITs.

As noted above, interests arising as a result of a related person serving as an officer and/or director of a Sponsored REIT at our request and any transaction that involves the payment by a Sponsored REIT to Franklin Street Properties (or any wholly-owned subsidiary thereof) of customary fees including, without limitation, acquisition, syndication, sales commissions, interim financing and management fees are excluded from the review, approval and ratification requirements of our related person transaction policy. See "Related Person Transaction Policy."

From time to time Franklin Street Properties may make secured loans (individually, "Sponsored REIT Loan" and collectively, "Sponsored REIT Loans") to Sponsored REITs in the form of mortgage loans or revolving lines of credit to fund construction costs, capital expenditures, leasing costs and for other purposes. The Company anticipates that each Sponsored REIT Loan will be repaid at maturity or earlier from long term financings of the underlying properties, cash flows from the underlying properties or some other capital event. Each Sponsored REIT Loan is secured by a mortgage on the underlying property and has a term of approximately two to three years. Except for a mortgage loan which bears interest at a fixed rate, advances under each Sponsored REIT Loan bear interest at a rate equal to the 30-day LIBOR rate plus an agreed upon amount of basis points and most advances also require a 50 basis point draw fee.

OTHER INFORMATION

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely on its review of copies of reports filed by the directors and executive officers of Franklin Street Properties and beneficial owners of more than 10% of our common stock pursuant to Section 16(a) of the Exchange Act or written representations from the persons required to file reports under Section 16(a) of the Exchange Act, we believe that during 2018 all filings required to be made by such reporting persons were timely made in accordance with the requirements of Section 16(a) of the Exchange Act.

MATTERS TO BE CONSIDERED AT THE MEETING

The Board of Directors does not know of any other matters that may come before the Annual Meeting. However, if any other matters are properly presented at the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote, or otherwise act, in accordance with their judgment on such matters.

SOLICITATION OF PROXIES

All costs of solicitation of proxies will be borne by Franklin Street Properties. In addition to solicitations by mail or via the Internet, our directors, officers and employees, without additional remuneration, may solicit proxies by telephone, telegraph and personal interviews. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of stock held in their names, and, as required by law, we will reimburse them for their out-of-pocket expenses in this regard.

STOCKHOLDER PROPOSALS

In accordance with Rule 14a-8 of the Exchange Act, proposals of stockholders intended to be included in our proxy statement and form of proxy for the 2020 Annual Meeting of Stockholders must be received by Franklin Street Properties at its principal office not later than November [___], 2019. In addition, according to our current bylaws, any stockholder proposal intended to be presented at an annual meeting, including nominations for election to the Board, but not considered for inclusion in our proxy statement relating to such meeting, must be received at Franklin Street Properties' principal office not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the mailing date of the preceding year's proxy materials. For the 2020 Annual Meeting of Stockholders, that means that a stockholder must deliver proper notice of a proposed nominee or action that is proposed to be presented at the 2020 Annual Meeting of Stockholders but not be included in the proxy statement for such meeting to the Secretary of Franklin Street Properties between October [___], 2019 and November [___], 2019. In addition to the timing of the delivery of the notice, our bylaws include specific information that must be provided and procedures that must be followed to submit a proposal.

IMPORTANT NOTICE REGARDING DELIVERY OF SECURITY HOLDER DOCUMENTS

The Company may participate in the practice of "householding" proxy statements, annual reports and Notices of Internet Availability of proxy materials, meaning that the Company delivers a single document to a household, even though two or more stockholders live under the same roof or a stockholder has shares registered in multiple accounts, unless the Company has received an instruction to the contrary from one or more of the stockholders. This practice enables the Company to reduce the expense of printing and mailing associated with proxy statements and reduces the amount of duplicative information a stockholder may currently receive.

The Company will promptly deliver a separate copy of any of the foregoing documents to a stockholder if a stockholder writes to or calls the Company at the following address or phone number: Franklin Street Properties Corp., 401 Edgewater Place, Suite 200, Wakefield, Massachusetts 01880, (877) 686-9496. If a stockholder wants to receive separate copies of the annual report and proxy statement or Notice of Internet Availability of proxy materials in the future, or if the stockholder is receiving multiple copies and would like to receive only one copy for his or her household, said stockholder should contact the Company at the above address and phone number.
